Profile

A digital creative looking to further my career in interactive design and development. With an eye for precision, and usability, my designs are often well received by my clients as well as their users.

I have experience in managing small teams, and I work well under pressure, to tight deadlines. I like to embrace new technologies, and can quickly learn new software.

Experience

Sep 2015
to Present

The Moment

Lead Storyline Developer & Designer

My duties involved designing and developing engaging elearning solutions for a range of clients including Carnival, BBC, General Dynamics, and The Royal Navy.

Sep 2014
to Jan 2015

Adobe

Student Representative

Whilst at university, I was lucky enough to be chosen by Adobe to be a student representative. My role was to promote and teach fellow students the various benefits of using the Creative Cloud services.

June 2014
to Feb 2016

AG Carpentry

Marketing & Graphic Designer

Promoting the company in a variety of ways, including managing the website, handling the evolution of the brand, and designing collateral such as business cards, brochures, and printed adverts.

Education

Sep 2012
to Jun 2015

BA (Hons) Computer Games Arts

University for the Creative Arts

Achieved a First Class Classification.

Student course representative in 2nd and 3rd year.

Sep 2008 to
Jul 2010
